Step Twelve

Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

Tradition Twelve

Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

Concept Twelve

The Conference shall observe the spirit of A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and whenever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.

DECEMBER 2006

A MESSAGE FROM THE CCFAA CHAIRMAN

“Our common welfare should come first. Personal recovery depends on AA unity.”

It has been a privilege and an honor to be your CCFAA Chairperson in 2006. I must admit that when I first heard that I was elected Chairperson my heart skipped a couple of beats. This was very new territory. I have held service positions and have been in service since I first got sober. But this!

A brand new fear sparked me to ask only one thing of the Delegates that day: “Just don’t leave me out there all by myself!” And you did not abandon me. It didn’t remove the new fear I inherited but I was reassured that “I could do it” by several delegates, including the outgoing Chairperson.

I set no goals at first and I made only one promise: to do my best! Yet, I would soon find that I indeed needed to set some goals. There were some rough spots along the way. But, you hung in there with me. We accomplished much, as a team.

The By-Laws and Operating Procedures Committee worked hard for several months, researching old documents, re-writing and updating our current documents. Now, all who read these documents will find them easier to understand and can read them in handbook form. This committee also put together a Delegates and a Secretaries Handbooks.

We worked through some small controversies. We cleared up some misunderstandings.

I watched a young lady volunteer as Picnic Chairperson and I saw her fear of pulling off the picnic with success. She did it.

My overall goals were to get Delegates more involved in the workings of the CCFAA Delegation and to bring more input to the meetings from their groups. Additionally, I strived to get the AA Community more involved in Central Office by stopping by and helping out where possible.

Each of us went blindly into our service work. In some cases, such as mine, it took time to learn some of what takes place around here. For me several months had passed. This has been one of the most rewarding experiences I have encountered in my sobriety, in my life.

I want to thank **all** of the CCFAA Officers and Delegates for your support. I look forward to being of service as the CCFAA Chairperson in 2007, “one day at a time!”

Merry Christmas & Happy New Year

William S.
CCFAA Chairperson

CCFAA-PI/CPC COMMITTEE

Public Information/
Cooperation with the Professional

Cooperation with the Professional

The PI/CPC committee’s progress in ‘05 and ‘06 has been successful. However we are only serving a portion of our area. There is only so much that can be done by a few. Therefore, we need to update our procedures. Chuck and I have looked at this situation from many angles and have come up with a new approach. We suggested this approach to Central Office and have their approval. To implement this program on an expanded basis we need more bodies. Some districts are working with us and some are not, leaving gaps in our coverage areas.

All of these areas have AA groups. There are members in these groups that are willing to give an hour or so each month close to where they live or work to place literature in select locations. We will publish this new program in the “By The Way” and by any other means we can find.

We will continue to work with districts that have a PI/CPC committee and to help the ones that don’t.

The goal of our PI/CPC Committee for 2007: *To make AA literature available where ever possible.*
Ivo Vollmer, PI/CPC Chair.

CCFAA Delegate's Meeting Minutes (cont'd)

Office Operations Committee Chairperson – Valerie C: (cont'd)

There is money for temporary help but it seems a waste to spend money hiring non-AA's when we have such a large AA community. HVAC repairs and carpet cleaning will take place in January. RECOMMENDATION TO NEXT OOC: Invite our IT Administrator to the January or February OOC meeting to review office needs, job description and reporting structure for changes and additions to the website. **IMPORTANT NOTE: The next OOC meeting will be held at my home on December 12, 2006 at 6:00pm. This an open invitation with a potluck celebration for incoming and outgoing OOC members, Central Office Staff and AA visitors. Call 916-847-4673 for directions to 1523 Maryland Ave, West Sacramento.**

It has been an honor to serve the delegates for the past two years. Thank you for the privilege to be of service, and of course all the wonderful AFLO's experienced during this time. (AFLO= Another !#%!* Learning Opportunity)©. It is my sincere hope that the CCFAA and OOC Members from the past two years have helped restore unity to this community – that no member will ever be afraid to stand for service within CCFAA/OOC again. Please remember the most important assets for service are an open mind, no personal agenda and a willingness to learn and to do the best you can.

7th tradition - \$7.00. Meeting adjourned at 7:00 PM. Yours in Service, Valerie C.

E. By Laws & Procedures – Rodney C: (written)

The Committee had no meeting this month. I and the webmaster worked on formatting the By-Laws and Procedures for the website and the booklets; they are ready for the AA community to use. When I was elected at the November '05 Delegates meeting I set myself goals to complete, I feel that I and my committee have achieved those goals, but there is more to be done to get these documents up to date.. With the By-laws, Procedures, Policies and other guidelines not kept up to date I HAD TO REVIEW ALL THE PAST By-The-Ways from 1964 to the present to insure that all the amendments were recorded in the current documents before making the corrections that were required. The following documents have been developed to make them more user-friendly. A list of all amendments 1964 to present; removed all Operating Procedures from the By-Laws; Rework/Updated Delegates Packages; Rework/Update Group Secretary Guidelines Booklet; Develop a Central Office/Intergroup "Personnel Policy" Booklet ; Prepared a CCFAA Intergroup Volunteer Information and Service (Non Office & CCFAA Office Answering Service) Booklet; Rework/Updated the By-Laws, Operating Procedures and Rework/Updated the Articles of Incorporations to bring them in-line with the State of California Corporation Laws. (To be voted on in November or December, 2006) These documents have been saved on the computer at Central Office.

At this time I would like to thank the Delegates for allowing me to serve in this Office. Rodney C.

G. PI/CPC – Ivo (written) CCFAA, PI-CPC November 8, 2006 Meeting.

The meeting was called to order at 7:05 PM with the Serenity Prayer. The "Young People's" Committee Chair Aaron L reported from their meeting on November 1st that they spent a full day at Foothill High School, (five members) speaking to six class' about alcohol. This was their second trip there and they plan to be back in January. They are trying to find some young people in Placer County to help Buster the PI-CPC Chair there. They want to make some alterations to their Young People's flyer. They were given a contact at Sac State.

Maurine B. Senior representative reported that 10 more senior centers had been contacted. She had some information from the CEC (Committee for Elderly Committee). We will contact New York for more information.

The proposed changes in our operation was discussed and the following motion was approved unanimously "Motion made by Kelley M. for the PI-CPC Committee to implement a program to reach out to AA groups and AA members who will be willing to work with the PI-CPC Committee to help distribute literature in the CCFAA area." Seconded by Jim W.

This addition to our present program will give us the opportunity to expand the coverage area with many new places to allow us to distribute AA literature throughout our coverage area. Any AA MEMBER can help by giving an hour or so of their time each month, close to their home or work, by participating in this service work and your own sobriety. We plan to kick this addition off the first of the new year. For more information, call Ivo @ 916/729-5623 or Chuck @ 916/728-1776 or email to ivovollmer@comcast.net.

We are interested in getting our information into Union halls.
