Did You Know?

Public Relations

The 1956 General Service Conference of A.A. adopted unanimously the following statement of "A.A.'s Public Information Policy":

In all public relationships, A.A.'s sole objective is to help the still-suffering alcoholic. Always mindful of the importance of personal anonymity, we believe this can be done by making known to him, and to those who may be interested in his problem, our own experience as individuals and as a fellowship in learning to live without alcohol.

We believe that our experience should be made available freely to all who express sincere interest. We believe further that all our efforts in this field should always reflect our gratitude for the gift of sobriety and our awareness that many outside A.A. are equally concerned with the serious problem of alcoholism.

This statement reflects a long-standing A.A. tradition of not seeking publicity for promotional purposes, but of always being willing to cooperate with representatives of all media who seek information about the recovery program or about the structure of the Fellowship. Thousands of inquires of this type are handled each year at the General Service Office (475 Riverside Drive, New York, NY 10115; mail address: Box 459, Grand Central Station, New York, NY 10163; telephone: 212-870-3400).

Information and public relations matters affecting the Fellowship of A.A. as a whole are the concern of the Public Information Committee and the Committee on Cooperation with the Professional Community of the General Service Board of Alcoholics Anonymous.

Reporters are welcome at A.A. *open* meetings, dinners, regional get-togethers, or similar gatherings of recovered alcoholics. The only restriction is a request not to disclose the name of any A.A. member. (For obvious reasons, photographs cannot be taken at A.A. meetings.)

Note: In many areas, A.A. members have established committees on public information and cooperation with the professional community, to assist local media in obtaining accurate information about the Fellowship. Background material on A.A. may also be obtained upon request from these groups.

MANAGER'S CORNER

The central office was closed while the new roof was put on and all of the dry rot was replaces. We were without electricity for a week. We are open now but still don't have full electricity restored. The printer is out until the electrician comes back and finishes his work. The phones were covered at all times. Thanks to everybody who stepped up and helped while this was going on.

In the Delegate Meeting minutes (on page 10) you will notice a new format for the Delegate Attendance Record. All Delegates on the active delegate roster are listed. This list represents all groups and their delegates that have attended at least one meeting in the last 12 months. It is from the length of list that the minimum quorum for the Delegate Meeting is calculated. If the Delegate Roster contains 100 active member groups the Quorum is (20%) 20. There are almost 400 member groups registered in the CCFAA database and their meetings are listed in the current schedule as well as on the website, however most do not attend the Delegate meetings and approximately half do not make financial contributions. We know that often small groups are not able to contribute financially so we are especially grateful to those groups who make it possible for us to maintain the CCFAA central services through this office.

I would like to take this opportunity to again encourage all groups to send a representative to the monthly delegate meetings. Last year the meeting location was changed to The Traditional Group's meeting hall, a more attractive, centrally located site. As a result attendance this year has improved. Perhaps it is time to represent your group once again and become a part of the delegate body that directs CCFAA central services.

The Steering Meeting is in May and the General Committee meeting is in June. We will be electing a new General Chairperson. Steve reminded everyone to read the "Pink Book" so we understand H&I policies and procedures on Page 2-9. We make sure we identify ourselves as "alcoholics" only, we have a dress code and guidelines for sharing the message and remember not to give phone numbers to patients or inmates; and don't take their numbers. We do not sponsor people in facilities where we have an H&I commitment. The H&I Conference was held in Petaluma, Ca on April 13-15, 2007 it was a great conference. The NCCAA conference will be in San Jose on July 6,7 and 8th 2007. At the NCCAA Conference H&I will have a panel on Saturday at 9:30. Check out the H&I website at norcalhandi.org.

A. CCFAA Chairman's Report

1. Attended OOC Meeting, By-Laws/Operating Procedures Committee Meeting, and helped out at Central Office as much as I could.
2. We're still looking for different things we can do to better serve our "Primary Purpose!" Please refer to the April Chairman's Report in the By-The Way. In your handouts on the table is a "Delegates Inventory." It would be appreciated if you'd take a moment and fill them out and bring them back at the next Delegates Meeting.
3. Once again, I remind you that you are here to represent your group and to take information received here back to your groups. I encourage you not to just pick up the handouts but to read them and share them with your groups. For example, don't just pick up or listen as one reads the report. take a good look at it. Ask questions and discuss it with your group or the person who submitted it. If you find errors make them known or let your group know when we discuss improvements to Central Office for example. In doing so, you become an extra pair of eyes because errors as we are not perfect and don't catch all the errors.
4. I am also requesting that the Delegates take a minute now and then to either stop by Central Office or call to see if you can be of service as they can always use a helping hand if it's no more than sweeping the floor or taking out the trash.
