## MANAGER'S CORNER

I would like to thank all the people who helped in remodeling our literature room. If you haven't seen the new digs yet, come on by. The room looks fabulous. The people who helped out a lot were: Kirk C., John A., Frank D., Eric C., Tim H. and Suzy C.

There seems to be a lot of confusion about sending in birthdays to be put in the By The Way. The cutoff date for birthdays and any other group news is the Friday before the Delegates Meeting. The date changes every month so you can't use a date, you have to use the **Friday before the Delegates** meeting. If Central Office doesn't receive the birthdays before 5pm on that Friday, the birthdays will be listed in the following month's By The Way. Flyers for mailing have to be received in Central Office by 5pm the 10<sup>th</sup> of each month: if the 10<sup>th</sup> of the month is on a Saturday or Sunday, the flyers must be here by the following Monday. If your group has any questions they can call central office for clarification.

Hope to see all of you at the picnic, August 19<sup>th</sup> at Elk Grove Park, park opens at 9am and there will be people there to set up at 7am, come early and help and stay late. There will be a lot of food and games for everybody.

Thanking you ahead of time for all your support.

### V Reports of Trusted Servants

#### A. CCFAA Chairman's Report July 21, 2007

- 1: Attended the OOC Meeting; 2: Helped out with the quarterly inventory; 3: Attended the July 5<sup>th</sup> Picnic Committee Meeting.
- 4: Helped out at Central Office as much as I could whenever needed.
- 5: I would like to remind the Delegates on the format for submitting Amendments to the Operating Procedures. The correct format is found in the Operating Procedures Handbook; Section 19; Page 40.
- 6: Once again, I remind you that you are here to represent your group and to take information received here back to your groups. I encourage you not to just pick up the handouts but to read them and share them with your groups. For example, don't just pick up or listen as one reads the report. Take a good look at it. Ask questions and discuss it with your group or the person who submitted it. If you find errors make them known or let your group know when we discuss improvements to Central Office for example. In doing so, you become an extra pair of eyes because we are not perfect and don't catch all the errors.
- 7: I am also requesting that the Delegates take a minute now and then to either stop by Central Office or call to see if you can be of service as they can always use a helping hand if it's no more than sweeping the floor or taking out the trash.
- 8: It appears that there have been some concerns over the Mailing and Receiving of the By-the-Way by the groups. Steps have been taken to hopefully correct some to the timing in from when the By-the-Way is and received. Additionally, the dates for the assembly of the By-the-Way and the Flyers are published on the front of the By-the-Way monthly. Realizing that all you don't have access to computers I'd like to make a couple of suggestions:
  - (1) If you have access to the internet you can usually print the By-the-Way on the day that it is assembled or at least within 24hours of that date.
  - (2) If you have a member in your group that has access to the internet try asking for a volunteer to print the By-the-Way directly from the website if timing is of importance.
  - (3) Send a volunteer to the Central Office on the day the Flyers and the By-the-Way are assembled to help or just pick up a copy

## CCFAA Delegate's Meeting Minutes – July 21st, 2007 (Continued)

### E. By Laws & Procedures – Rodney C By-Laws and Procedures Chairperson Report 7/21/07

- The Review Committee had their meeting on 7/14/07 at 9:30 am at the Central Office.
- We reviewed the Proposal 07-04 and found out that it is compatible for relocation to the Paragraph 14.7 Hiring of Office Manager, not the Office Manager Duties and Responsibilities. The OOC is responsible for the time of Sobriety in their hiring of New Managers.
- Proposal 07-05 Close literature/special events separate bank accounts is compatible;
- Proposal 07-06 Section IX Office Operation, Paragraph 9.1 Office Hours: there has been three different time this proposal has been presented to the Delegates for approval, two times a survey was done and no action was taken on it and once there was a vote an the proposal failed 38-2.
- Due to Delegates' concern over what to do if the Office Manager should void his/her sobriety a new proposal is on the table for review. It will be Proposal 07-07, and will be passed out today and discussed next month and voted on the following month. There has never been a proposal for this issue in the past. It was always assumed what action to take.

### H. Special Needs – Jan P.

Unfortunately, I cannot attend the CCFAA meeting this Saturday, however, the following is a report for the Special Needs:

There were no visits to hospital or homes this past month, yet I did receive one call from a lady who was wheelchair bound and wanted a meeting in downtown Sacramento. She had a caregiver who would be able to get her to the meeting. She lived near Group One, so I gave her the address, times of meetings and that it was handicap accessible. Hopefully she attended the meeting and is continuing to do so. She said she would call me if she didn't find the meeting. I received no further telephone calls.

Also, could you please update the minutes of June with my report that there were no calls or visits for any Special Needs.

Thank you for your service, Jan P.

### I. Birthday Club Chair –Lilly (Vocal report)

Thanks everyone for mentioning Birthday club at their home groups. Encourage people on birthday nights to give a dollar for each year sober. If we could get our groups to participate, that would be awesome.

### RATIONALE:

The proposed change simplifies current accounting practices to eliminate errors when booking and accounting receivables. In essence each budget line can be viewed as a separate fund and these are reported monthly in the treasurer's report. With the exception of AAWS Literature and the Special Events they are all managed from the General fund. All excess monies in the Literature fund and the Special Events Fund are routinely transferred to the General fund and therefore these funds serve no real purpose. Separating all funds received into three groups when preparing deposits is a lengthy and tedious process often requiring two persons and is the cause of numerous accounting errors. Our CPA whole heartedly agrees that elimination of these unnecessary funds would be a step in the right direction.

The new bank account structure would include:

- A General Fund (checking account) which we currently have.
- A linked Savings account, which would yield an interest return which the three current checking accounts do not, and would hold the bulk of operational funds required to cover literature purchases and special event funding. For example the Special Events Fund holds \$5000.00 all year and returns no interest.
- Certificates of deposit which would hold the bulk of the prudent reserve funds and yield a somewhat higher interest than the savings account.

The Proposal rests as it stands. Delegates will discuss with their groups and vote next month on topic.

**VIII New Business**

1. Proposal 07-06, Operating Procedures Sec. 14, Par. 14.8, dismissal of Office Manager

**Current:** Not found in current Bylaws.

**Proposed:** Addition of Paragraph 14.8.1: If the Office Manager fails to maintain his/her sobriety during their employment, no warning is required before dismissal.

**Rationale:**

1. There isn't, nor has there ever been, anything in writing to cover a case where the office manager drank while employed by the CCFAA Intergroup.
2. All remaining paragraphs will be renumbered accordingly.

**IX Closing**

- A. The next meeting is August 18<sup>th</sup>, 2007 at 3:00 PM @ the Traditional Group location
- B. Motion to close, seconded. Motion passes to close the meeting.
- C. The meeting closed at 5:03 p.m. with The Lord's Prayer.

Respectfully submitted, Davie (The Gravy) C.

## A.A. and Alcoholism

A.A. is concerned solely with the personal recovery and continued sobriety of individual alcoholics who turn to the Fellowship for help. Alcoholics Anonymous does not engage in the fields of alcoholism research, medical or psychiatric treatment, education or propaganda in any form, although members may participate in such activities as individuals.

The Fellowship has adopted a policy of "cooperation but not affiliation" with other organizations concerned with the problem of alcoholism.

Traditionally, Alcoholics Anonymous does not accept or seek financial support from outside sources, and members preserve personal anonymity in print and broadcast media and otherwise at the public level.

A.A. experience has always been made available freely to all who sought it – business people, spiritual leaders, civic groups, law enforcement officers, health and welfare personnel, educators, representatives of military establishments, institutional authorities, representatives of organized labor, and many others. But A.A. never endorses, supports, becomes affiliated with, or expresses an opinion on the programs of others in the field of alcoholism, since such actions would be beyond the scope of the Fellowship's primary purpose.

A.A.'s relations with professional groups, agencies, facilities, and individuals involved with the problems of alcoholism are handled by the trustees' Committee on Cooperation with the Professional Community. Mutual understanding and cooperation between A.A. members and others who work with alcoholics are the concerns of this standing committee of the General Service Board.
