Step Ten

Continued to take personal inventory and when we were wrong promptly admitted it.

Tradition Ten

Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.

Concept Ten

Every service responsibility should be matched by an equal service authority-the scope of such authority to be always well defined whether by tradition, by resolution, by specific job description, or by appropriate charters and bylaws.

Hurricane Katrina – “How Can We Help?”

The General Service Office has received numerous questions about how to help our A.A. family in distressed areas. We hope the following questions and answers are helpful.

Q. Do you suggest that we send literature and money directly?

A. In situations such as Hurricane Katrina, the local A.A. meetings often require very few contributions of money or even complimentary literature. Usually, local A.A. members are proud and happy to work together to replace any lost literature, etc. Local groups often make whatever repairs are necessary to their meeting places and are grateful to do this work with other sober members of their A.A. community. An example of local help occurred with the tsunami disaster. The affected countries were part of the Asia Oceania Zone and countries like Australia and New Zealand in that zone were able to provide the needed replacement A.A. material without turning to other General Service Offices worldwide for additional help. Many of the affected areas do not have mail delivery. Our experience is that A.A. members have helped as private citizens through relief organizations.

Q. What can I do to help the affected members, groups, central offices/intergroups?

A. G.S.O.'s experience shows that it is often difficult to ascertain what is needed. We pray, we don't drink and we go to meetings so that we will be ready to respond to requests for help.

Q. What does G.S.O. plan to do to help those affected by Hurricane Katrina?

A. Just as in the past, the General Service Office is ready to support the efforts of local A.A. members in all types of disasters, including hurricanes, fires, floods, mud slides, etc. G.S.O. is often called upon to replace lost literature on a complimentary basis. We wait, though, until conditions are stabilized and local A.A. members have an opportunity to let us know what they need.

Q. So exactly what is the General Service Office doing right now?

A. G.S.O. has contacted and offered its support to intergroups and central offices in cities and towns where thousands of evacuees will be living for the next few months.

Q. Can I send money to G.S.O. and specify that it be used for Hurricane Katrina relief efforts?

A. The General Service Office does not have the means or staff to earmark A.A. funds that are received at this office. Every A.A. dollar received at G.S.O. is used on a priority basis to carry A.A.'s message when a need is expressed. This includes responding to literature needs during natural disasters, translating literature for A.A. members in emerging countries and helping new A.A. groups in the U.S. and Canada.

THE MANAGER'S CORNER

The General Service Office has a new item for sale. It's an extension display rack having places on the side for books, so you can put your pamphlets and books together. The extensions by themselves are \$20.00, the rack with the extensions is \$35.00. There is one on display at the office.

We are looking for one or two people who know about plants and bushes. We need to clean up the front of the office, where the bulbs planted. My green thumb is mostly black; any help would be most appreciated. Some say the bulbs are still good, that all we have to do is separate them and add more dirt. They look dead to me.

We need **all group info** in the office by 5:00pm on the 15th of each month. If it comes in after that date there is no guarantee it will make the *By The Way*. All group birthdays need to be in by that time also.

Flyers: Please be advised that flyer information will be entered in the Group News, Speaker Meeting, or Special Event sections of the *By the Way*. This format will also be utilized to convey your information on the website. Links to actual flyers will be available for flyers submitted in "soft copy".

How many people are interested in having a yearly anniversary dinner for CCFAA? If memory serves me right there used to be one in this area. What about a New Years Eve dinner/dance? Are there any takers on this?

QuickBooks is still serving us with great formats for accounting purposes. All the data is in as far as transactions for the year are concerned, We are still working out some errors mostly made by the person putting in the info, that would be me.

Thank you to the phone volunteers, we have one shift open now, Thursday morning from 9am-1pm, if you have six months sobriety and are interested please stop by the office.

We will have an open house holiday party at the office in December. The exact date will be announced next month. We want to say thank-you for all the volunteers who have made this office run as smoothly as it has. Please plan to attend. All are welcome.

GROUP CONTRIBUTIONS: It was necessary to implement a new CCFAA numbering format. For most groups, the last two or three digits of the number are the same as their previous number, but all groups now have a five digit number, which is printed on the mailing label of the BTW and Flyers. Please refer to this number if possible whenever corresponding with Central Office, particularly in regards to financial transactions. Most groups are still not familiar with their group numbers but we are getting there. In many cases, no current address is available. Please remind all groups to update their information with Central Office.

Thank you to all who have recently increased their efforts to assist Central Office in this area. Lately, we have received more updates. Keep up the good work.

We are updating our volunteer list for putting together the By The Way and flyer mailings. If you are on the list and want to stay there let us know. For anyone interested in helping in those areas please call us and we can put your name on that list. We have a great time and we have donuts.

Region 40 Chair- Steve M. 691-9897 – Present Steve was able to attend the Steering Committee meeting and the vote for a group inventory will be taken to the October 10, 2005 General Committee Meeting in Cloverdale. He encourages everyone interested in this and other issues to come to the meeting on 10-10-05. Due to the price increase on some of AA's literature the H & I Committee voted and purchased books before the price increase takes effect. This caused the prudent reserve to be greatly reduced and the H & I committee is asking people in their home groups to put in some extra change. The prudent reserve was held at \$60,000.00 but the committee voted to lower the prudent reserve to \$30,000.00 until it can be built back up. This is about 80 percent of what it costs the H & I committee each month for literature. He thanked everyone for allowing him to serve.

Area 42 Chair – Mark C. 391-8317 – Present Mark thanked the local area committee members for their presence at the monthly speaker meeting and also thanked Donna C. for asking us to be present at their annual celebration. PI/CPC GREETINGS: Here we go, September is history and October is upon us. Our Monthly meeting will be as always the second Wednesday of the month which will be on the 12th at 7:00 P.M. at our permanent meeting place, Kroeger Hall in the Citrus Heights Civic Center, located at Greenback Lane and Fountain Square Drive. (It's the second building in from Greenback Lane.) The easiest access is off Fountain Square Drive at the stop light. Left to the Civic Center, right to Sam's club.

I was not able to attend the last CCFAA meeting but I understand that both of our new brochure's were approved. We now must concentrate on the new one for Young People. School is back and we need it.! We have accepted an invitation to have a booth at the Teamster's Women Health Fair on Saturday October 22 from 10-AM to 2-PM. It's located near 99 and Florin Road. ANY VOLUNTEER'S? There is a free lunch included plus all those pretty ladies"? Please let me know if you are able to be at this months meeting. We would like to have some refreshments and we need to know how much. If you haven't been to a meeting at Kroeger Hall you have no idea how nice this facility is. We really appreciate the city of Citrus Heights letting us meet there and it's free. Please bring with you your needs and idea's as to PI/CPC and if you have a friend that might be interested in what we do, by all means bring them along. There are plenty of places out there where our message can go to. If I may, every ounce in a while I think, "where would I be today if I had never heard about AA?" I don't even want to imagine what the answer might be. If you stop and think about it, that's all we do, let people that might need us that we are here and willing to help!

Ivo V. Chair.
