THE ALL ENCOMPASSING PRAYER

As I have navigated my way through the program of alcoholics anonymous, with only a limited education, but a desire to learn all I can about life as it unfolds, it occurs to me that most of the things that the program teaches me are things I have been taught before. I learned the Ten Commandments in church. In the Boy Scouts, I learned that a scout is Trustworthy, Loyal, Helpful, Friendly, Courteous, Kind, Obedient, Cheerful, Brave, Clean, and, Reverent. In sports I learned of Team Work and of Disappointment. In kindergarten, I learned to play fair in the sand box, I also have heard of the Golden Rule. These things have been around long before me and even before A.A; so where did I go wrong?

I, like most of us that come into the program, had a myriad of personal problems, and at first, I believed that those life issues including; Marital, Legal, Economic, Physical, etc; were the cause of my drinking the way I did. At that time, I wasn't sophisticated enough to understand the ins and outs of these things. I'm not sure that anyone can just drop what they have been conditioned to do just because they quit drinking. There has to be more to it than that. If we are fortunate enough to envision the wonderful life we can experience as the result of embracing this program to the fullest degree, we will, first, want to clear up the wreckage of the past. This we can do by thoroughly going through the steps in the spirit that they were intended, being careful not to hold back anything. As we approach the twelfth step, we are introduced to the Saint Francis prayer in the 12X12. Francis was not a saint when he wrote this prayer but he expresses that these virtues were the answer to all of the misguided thinking of the past. Note that not one of his requests is for help with things that are of a selfish or material nature. I myself am not affiliated with any religious organization, but I am not threatened by religious doctrines and I agree with the statement on pg. 87 BB. "Be quick to see where religious people are right. Make use of what they offer".

I am sometimes honored when a newer member of the program asks for some guidance and I will usually suggest that he/she write out this prayer in long hand, paste it on his/her mirror and read it every day for a minimum of 30 days, and I guarantee that it will influence your thinking for the rest of your life. It did for me. I don't know of a more practical thing to set the tone for a person's interactions with others. Thinking back on it, I always knew the right thing to do, but wasn't always strong enough to do it. I dismissed these things, not realizing the pain that would result as I lost my direction in life.

The Saint Francis prayer is one of the ways in which the program suggests we revisit our early value system. It gives us some spiritual direction that deals with the change in our inner self. If we heal in that area, the material world will take care of itself. When faced with a sticky situation, I have a choice whether to escalate it or to withdraw with love and understanding. After years of trying my best to live in the spirit of this prayer, it occurred to me that, as a result, I qualify in all of those things I learned as a child, in church, in the Boy Scouts, in kindergarten, the golden rule, and in childhood sports. To me, it is an ALL ENCOMPASSING SPIRITUAL roadmap.

Our True Home

Our true home is the present moment. To live in the present moment is a miracle.

The miracle is not to walk on water, The miracle is to walk on the green earth in the present moment,

To appreciate the peace and beauty that is available now.

Peace is all around us- in the world and in nature-and within us- in our bodies and spirit.

Once we learn to touch this peace, We will be healed and transformed. It is a matter of faith; It is a matter of practice.

NOVEMBER TOTAL YEARS OF SOBRIETY

5,690

The Eleventh Step

"Sought through prayer and meditation to improve our conscious contact with God as we understood him, praying only for knowledge of His will for us and the power to carry that out" *Prayer* and meditation are our principle means of conscious contact with God. *-Twelve Steps and Twelve Traditions* pg.96

The Eleventh Tradition

"Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films." Here was something rare in the world— a society which said it wished to publicize its principles and its work, but not its individual members.

-Twelve Steps & Twelve Traditions pg. 182

The Eleventh Concept

While the trustees hold final responsibility for A.A.'s world service administration, they should always have the assistance of the best possible standing committees, corporate service directors, executives, staffs and consultants. Therefore, the composition of these underlying committees and service boards, the personal qualifications of their members, the manner of their induction into service, the systems of their rotation, the way in which they are related to each other, the special rights and duties of our executives, staffs and consultants, together with a proper basis for the financial compensation of these special workers, will always be matters for serious care and concern.

H&I Committee News

Greetings Central Offices of Northern CA

As you may have heard by now, the rumors are finally true – H&I DOES have too much money. **Today**. All those years of incorrect rumors, admittedly due in part to a past lack of transparency from our committee … and now that we actually do have a surplus, and would like to make a $50,000 distribution in accordance with our 7th Tradition, the misinformation is flying off the shelves.

I've att'd a one page Q&A sheet (available from Karen C. & H & I Committee), which I hope will dispel some of this confusion and get the facts straight, and I'm hoping that you can help us get the word out. If we can work in unity on this, I believe it will assist our H&I Committee to do the right thing with-out staunching the flow of our normally much needed Pink Can funds; it also presents an option to better protect the 7th Tradition basket, which I think has been a long-time concern for all.

Please feel free to contact me at any time with comments or questions - I gratefully thank you in advance for your assistance (and also please excuse any duplication in email addresses).

Yours in grateful service,

Karen Czujko, General Chair

Hospital & Institution Committee of Northern California

H & I Excess Funds are scheduled to be divided 60% to Intergroups & Central offices in Northern CA. 25% to GSO. & 5% ($2,500) each to CNCA, CNIA, & NCCAA

Group Contributions and the Pink Can

"We ask that the Group contribution Basket be passed Completely Before the Pink Can is passed and that the Pink Can is Not passed inside the group basket. That the Pink Can either be passed after the group basket is completed or ***Be left on the table with a brief announcement about the purpose of the Pink Can".***

This portion of a letter issued by Lorraine MacD. (who is the past General Chairman of the Hospitals and Institution Committee of Northern California) is the best answer we have seen, in response to the Pink Can for local Groups. By Moving the Pink Can to the literature table or leaving it at the Secretaries table is in keeping with the suggested method of contributions.

A warm sense of appreciation of kindness received, involving a feeling of goodwill towards the giver and a desire to do something in return; gratefulness/(Gratitude urges us to repay kindness)

Please be responsible. If there are any changes to your meeting location, mailing address, format, or if your meeting is discontinued, please contact Central Office ASAP and update your information, ASAP. Don't send a newcomer to an empty room! Thank you!

A A = Altered Attitudes.

On a lighter note…

A guy joins a monastery and takes a vow of silence: he's allowed to say two words every seven years. After the first seven years, the elders bring him in and ask for his two words. "Cold floors," he says. They nod and send him away.

Seven more years pass. They bring him back in and ask for his two words. He clears his throats and says, "Bad food." They nod and send him away.

Seven more years pass. They bring him in for his two words. "I quit," he says. "That's not surprising," the elders say. "You've done nothing but complain since you got here."

IV. Trusted Servant Reports

A. Chairperson Report – Kathryn C

Welcome to the October meeting of the Central California Fellowship of AA. I want to thank you all for being here and being of service! **For those of you looking for something to do this evening, there is the 3rd Annual Legacy Continues Families in Recovery Speaker Meeting/Dessert Potluck/Raffle from 6-9pm (all the information is in the By the Way).**

Reminders:

- Next month is our Annual Meeting when we will hold elections. The meeting will be from 2:00-5:00pm so plan on being here an hour earlier than usual. I will reach out to those of you that raised your hands in August to help with the elections and make sure we round up everything we need before the November meeting.
- I hope you are all thinking about stepping up to serve in a greater capacity with CCF. This has been a great experience for me and I plan to stay connected in the coming year. If you have any questions about the positions, please talk to me or any of the officers and we will be happy to help.
- This month we will have discussion over the annual budget. Out of respect for everyone's time, I have scheduled 30 minutes for this discussion so we can get out of here by 5:00pm. We read the 12 Traditions at the beginning of every meeting to inspire a cooperative spirit that I have only experienced in AA. I assume that every person here is acting in the best way that they can and I
- hope you think that of me. Things can get confusing on their own without my reactions getting in the way. I am confident that if we all remain respectful and solution oriented (like we do at every other meeting!), we will reach a timely and well-considered outcome, whatever that may be.
- Next month we will finally vote on the budget with no additional discussion at the meeting. If you still have questions between now and then, please don't hesitate to contact any of us.

Finally, Halloween is right around the corner. I hope that you all stay safe, sober, and have a great time that you will remember the next morning!

Again, thank you all again for your service.

B. Thank you to the staff and volunteers for pitching in and covering all the volunteer shifts. There has been lots of juggling, but coverage has worked out well. Kevin N., Karen Y. and Robin T., you are the best!

C. The annual Intergroup/Central Office/AAWS/AAGV Seminar is the first weekend in November in Kansas City. This seminar allows office managers to communicate with GSO, Grapevine and AAWS staff as well as exchange best practices for operations.

E. Treasurer's Report –John R

Treasurer Notes
September 2016

Income / Expense:

- CCFAA Gross Revenue for September was $17,995. AAWS Literature sales were $4,899, which is a rather large slump from the August figure of $7,330. Group Contributions were $7,368, up from $6,968 the previous month. Medallion sales for September were slower at $2,802 but faithful Fivers contributed $688 which is $170 more than the past month. Thank you Faithful Fivers! Cost of goods sold were $8,664 for Gross income of $12,076 for the month.
- Period Expenses were lower and only $13,757 for the month because we had no major events. We had no committee expenses either. We had a net loss for the period of $1,682. Year to date we show net profit of $1.

The CCFAA budget for FY 2017 discussion occurs in October, and will be voted on in November.

Balance Sheet:

The CCFAA balance sheet was presented to Delegates. Cash and current asset are up from the previous quarter, but so are liabilities. Prudent reserve is close to three months of expenses.
-Sincerely, John G.

F. Special Needs Chairperson's Report – Tricia C

The Northern CA Accessibilities Committee, in cooperation with the CCFAA Special Needs Committee continues to present information to area AA meetings about hosting ASL interpreted meetings, and every week there are more groups willing to participate in this effort. Most recently, Ascension Lutheran Church in Citrus Heights approved a Wednesday night 7:30pm mtg, which will be starting soon. Roseville 5th St. is in process, and the ***Too Young*** Thursday night meeting wishes to participate. Many more presentations are in process around the area.

A presentation was made recently to the Auburn Fellowship, who made a donation to the group for their efforts to provide ASL meetings in the area.

CCF Special Needs/NCAC will have a table at the Legacy Potluck on 10/15/16. Stop by and talk to us about what is going on, and what is being planned for the near future.

Currently, we are in the process of developing a logo for the group, a tablecloth with logo, and a 3 panel display board that will be used at promotional events, especially the young people's conference on New Year's weekend, as well as at any events we are invited to participate at. Stay tuned for more developments!

The NCAC group meets on the 2nd Saturday of the month, 10:30am at Gibbons. Please join us and become acquainted with what is going on. We welcome your ideas and support!

In Service, Tricia C , Chair, Special Needs Committee

H. By-Laws & Procedures Chairperson's Report –Stan

Reviewed the accomplishments over the year, completed Annual Election Cheat Sheet – Question asked about changing policy in Employees handbook regarding policy on dismissal if employee drinks. Some discussion regarding this and was suggested that it is brought to the next committee to review for legality.

October 11th 2016 Joan, Jon, and Mitchell attended the North Bay Stand in Dixon. We passed out literature and answered questions.

Attendance at the October 13th Committee meeting was low some Committee members had other commitments.

A Chaplin from Sutter Health Center requested someone from Alcoholics Anonymous to come and give general information on Alcoholics Anonymous. Tom and Mitchell plan to make themselves available to do that.

We have a new member to the Committee her name is Melissa her home group is Too Young

V. Reports – Special Committees, Delegates, Liaisons & Invited Guests –

A. NCCAA Liaison – Dreigh P

Early indications are that the October "Fall" NCCA Conference in Modesto was a financial success. At this writing all expenses were not yet in but Pre and On-Site Registrations seem to have been strong for the end of the NCCAA's 69th Year.

The next Conference will be during the 70th year of NCCAA with meetings in Foster City, Sacramento and Lodi. While site locations for the 2017 Conference Year have been booked, at this point, no viable 2018 Host Committee Bids have been received. Two earlier bids, from Fresno and Modesto were not accepted as on the outset it was clear the bids packages would not break even. The Committee is looking for facilities, such as Fairgrounds extra for 500-800 attendees, likely in a non Hotel setting.

Regarding the next Sacramento Conference, Meetings for Sacramento NCCAA Summer Conference (June 9, 10, 11 2017); Planning Committee meetings will be held:

Location: Group Three

9940 Business Park Drive

Sacramento, CA 95827

Time: 1st Sunday each month

The Sacramento host committee invites everyone in the Sacramento area to be the team that plans this insanely great conference. The next planning meeting will be:

Sunday, November 6, Sunday, December 4, Sunday, January 8, Sunday, February 5, Sunday, March 5, Sunday, April 2, Sunday, May 7

Sacramento's monthly planning meetings will be on the first Sunday every month (except January) until the conference [Dec 4Feb 5, Mar 5, Apr 2, May 7, June 4]. All members are welcome no matter what your sobriety time is. Listed below are the Chair positions available, and most need Alternate chairs. These positions are crucial to ensure the success of this conference coming to Sactown. It's a commitment for the next eight months. We'll need approximately 200 volunteers for this conference, so be of service and"volunteer" your friends!

For more information you may go to our website (norcalaa.org) or contact Tony H (916.262.6826) or Patrick S (916.612.8667)

Yours in Service, Dreigh P,

B. Picnic Committee- Wendy

The picnic binder has been updated for the next person who takes over as Chair. Recommending that someone step up to take position it is a lot of fun.

C. Hospitals & Institutions – Terri M

Meets 3rd Thursday of the month at 6pm at Denny's at 7900 College Town Drive.

D. District 23 Liaison- Carlos

No report

E. Special Events Chair – Terri N

All prepared for the Legacy Continues Speaker meeting need people to show up for set up and take down and also bring raffle baskets if possible. This is her last year so asking that someone step up next year. It's been fun but time to hand over the reins not sure of pending totals but trip for sure is covered.

VI. Old Business –

1. 2017 Budget discussion. No major concerns = John went through the budget explaining reasons for new proposed budget amounts. Delegates did not have too many questions.

VII. New Business -

None

III. Closing – Meeting closed at 4:35PM

Respectfully submitted, Tamera K, Recording Secretary
