Hello,

On May 27, 2020, the Colusa County Board of Supervisors voted to abstain from enforcing any COVID-19 (Coronavirus) guidance from the State. As stated in the attached press release, this action allows for the reopening of all business and other service sectors within Colusa County and all citizens/businesses are free to resume all normal functions as they desire, with a request to exercise kindness and good judgement. Should a business or use wish to implement COVID-19 precautions, that decision is completely up to them.

Thank you,

Julia Ornbaun
