Hello,

Just wanting to make sure you also received my follow-up email; I included the text below, as well as the checklist for limited services. I will also include all Public Health Orders and FAQ sheets available for Yuba-Sutter Counties.

AA meetings are essential under healthcare and when they cannot be done remotely should be done with proper health and safety protocols. I have spoken to my supervisor and the Yuba-Sutter Public Health Order of 10 or less would not apply to the meeting since it is considered an essential business.

AA meetings should follow the limited services guidance where possible <https://covid19.ca.gov/industry-guidance/>

Attached are the following:

1. A copy of the new Public Health Order signed by the Bi-County Public Health Officer in relation to gathering size
2. A copy of the new Public Health Order signed by the Bi-County Public Health Officer in relation to limited activities to reduce the spread of COVID19
 - a. FAQ Sheet on Phase 1 Reopening of Yuba-Sutter Counties
- 3.. A copy of the Operations Protocol:
 - Protocol must be completed and posted at the facility
 - Protocol shall be given to all employees
 - Protocol must be fully implemented prior to reopening a facility
3. A copy of the new Public Health Order regarding Facial Coverings signed by the Bi-County Public Health Officer
 - a. FAQ Sheet on Universal Facial Coverings in public spaces
4. A copy of CDC (Center for Disease Control) Cleaning and Disinfecting Guidance for facility's that have or suspect an employee or patron with symptoms of COVID-19 at the facility
5. A copy of the John Hopkin's Public Health Principles for a Phased Reopening During COVID-19
6. Limited services checklist

Our goal is to ensure that businesses are able to operate in a manner that maximizes the health and safety of our communities.

Thank you so much for getting back to us. Yes, please send us the Yuba-Sutter Public Health Orders and FAQ sheets. We are putting together a document for all counties the we serve for our members.

Thank you

Hello,

Currently, they are able to reopen; however, there is a current public health order in place for gatherings. The current Public Health Order for gatherings has a gathering size limit of 10 people or less. Controls that would need to be in place include wearing a mask when not able to socially distance. If you would like, I can attach a copy of all Yuba-Sutter Public Health Orders and FAQ sheets. Please let me know if this is something you would like. Thanks.
