IV. Trusted Servant Reports

> CCFAA Chairperson's Report - John E.

- This past Tuesday I was in attendance at the monthly OOC meeting, and we had a full quorum with all members in attendance. The office manager's report will be in the next By-The-Way, but some of the highlights are the completion of the secure processing gateway for credit cards with Bank of America merchant services, PayPal and VenMo for digital contributions. Please encourage your groups to get their contributions to us to support Central Office functions.
- Different counties are still going through different opening/closing protocols, so please let the office know the status of your group, and please get your email addresses to us if you haven't done so yet.
- The updated By-Laws are getting close to being finished and we will update you on that progress as it happens.
- The OOC and the Delegate meetings will continue on Zoom for the foreseeable future.
- We had some volunteers supply materials and fix our office bathroom, and we want to give a big thanks to our
 OOC member Mike K. who coordinated that effort, thank you Mike.
- Our AC unit is working, but the heater portion has a problem and bids are being taken for a fix that we will
 schedule sometime around September or October. We will keep you posted on the details of that expenditure.
- The office will be working on the 2021 budget for a September presentation, and now let's get to the rest of the officer reports.

> Assistant Chair/CNIA Liaison - Pierre D.

As reported last month our CNIA Delegate, Tom A. reported on the Virtual General Service Conference at the Virtual Post Conference Assembly held on 6/20/2020. All in all the Post Conference Assembly was a huge success even though it had to be conducted virtually. It was a full day of information sharing and virtual fellowship capped off with a BYO Ice Cream Social/Speaker Meeting with Madeleine P. Past Regional Trustee as the Speaker. Tom has also held a number of Zoom meetings with various groups in Area 07 to bring the results of the GSC to as many people in our Area as possible. Tom, Claudio B. as the Alternate Delegate and the Area's E-Services Committee have done a terrific job in helping to make this unsettled time feel as normal as possible.

CNIA 07 is holding its next Virtual Area Committee Meeting via Zoom today, July 18th beginning at 10:00am. Following the General Service Conference and Post Conference Assembly, the focus of the GSRs and other Trusted Servants in our Area seems to be to try and recapture the sense of purpose we all had before the Pandemic and the COVID 19 restrictions were put in place. In other words, how to get back to a feeling of normalcy. Throughout the Area, groups are trying various approaches to accomplishing this with varying degrees of success. The big question facing all of us is when do we resume face-to-face meetings and when we do, what will become of our Zoom meetings that have filled in so well during this time of restrictions. We shall see.

> Office Operations Committee Chair Report – Steve R.

- > The Office is closed to the Public, but we are opened for curbside pickup by appointment. Place your order on our web store at assacramento.org and arrange for pickup or shipping.
- > We are reviewing the State Public Health Order issued July 13, 2020 and will update the online information as necessary for our 9-county area. Much thanks to our Webmaster Pete B. who was instrumental in helping us get the protocol and guidelines on the website in a timely manner.
- Please visit the website at: https://aasacramento.org for guidelines and suggestions for re-opening safely and in accordance with your specific-county protocols. It is suggested that each meeting pay close attention to the county requirements and complete and keep copies of the documentation with the copy of the email from the county health department on hand during all meetings. Please submit a copy of the completed county protocol form or your written Prevention Plan to centraloffice@aasacramento.org to have your meeting listed in our schedule and on our website.
- > We will continue to list virtual and physical meetings as they are re-opened.

- We completed the mail migration to G Suite with the major assistance of Mark C. Thank you Mark!
- Second Quarter Payroli and Sales tax deposits and payments will be completed by the July 31 deadline.
- > In the coming weeks the office will be contacting the groups to assist with the assigning of an email account @aasacramento.org. We are trying to streamline communications with the groups and meetings during this unprecedented time.
- Our bathroom floor needed replacing and I want to acknowledge the contribution of materials and time by Brandon B., Mike T., Ralph P., Paul S., Jeff S. and Mike K. We're lookin' good!
- We could not do all that we are being tasked to do without the help of Jason S., Ron H., Cindy F. Dlorah B. and Carlos A. We are grateful for your time and service.

Stay safe. Be well. -Rae W.

Treasurer's Report – Pat Y.

For financial information breakdown please see June P & L and 2nd Quarter Balance Sheet Financial Statement Commentary & Analysis

- Sales of AAWS literature, in house publications, and medallions are budgeted for the month of June to be \$11,708, the actual sales items was \$3,132. 26.7% of Budget.
- Group Contributions were budgeted at \$10,000. The actual contributions were \$6,030. 60% of Budget.
- Other sources of revenue Birthday Contributions, Office Services Revenue, and Faithful Fivers were budgeted at \$2,050 and the actual was \$3,308 – a positive 61%.
- June operating expenses were \$14,842 and below budget guideline by 11.3%

CASH ACCOUNT BALANCES

NAME OF ACCOUNT	BALANCE JUNE 1, 2020	JUNE ADDITIONS/ DEPOSITS	JUNE CHECKS/ CHARGES	BALANCE JUNE 30, 2020
SAVINGS ACCOUNT (1)	\$35,762.39	\$1.47	\$0.00	\$35,763.86
CHECKING ACCOUNT (2)	\$32,171.81	\$14,070.97	\$17,180.70	\$29,062.08
TOTAL	\$67,934.20	\$14,072.44	\$17,180.70	\$64,825.94

(1) Savings Account contains the Prudent Reserve Funds Per our Operating Procedures

8.7.4 Prudent reserve: The purpose of the prudent reserve is to ensure our ability to withstand and react to a difficult financial situation. Experience has taught us a prudent reserve is four months average operating expenses of the Central Office for the preceding twelve months. It should be kept in a "money management" fund where it is accessible while earning interest. One month's expenses should be maintained in the operations checkbook.

- To adhere to our Operating Procedures CCFA established an interest bearing Savings Account.
- This Savings account contains our Prudent Reserve and was opened in March 2018.
- Operating expenses are estimated to be \$16,000 per month.
- There should be an additional \$28,236 in this account to comply with our operating procedures.
- However, there is no responsible or feasible means to add funds during this pandemic.

Currently, CCFA has 2.24 months in our Savings Account

(2) Checking Account is the Operating Account (General Fund) Per Operating Procedures

8.7.5 General Account Fund: The General Account Fund is for the payment of expenses needed to Operate CCF. These funds come from volunteer AA group contributions, individual contributions, and special program events. Excess funds in the General Account may be transferred to the prudent reserve with delegate approval.

- The CCFA operating account has \$29,062 which translates to 1.8 months of operating expenses. To request
 delegate approval to transfer \$13,062 to the Savings to increase the Prudent Reserve would be imprudent
 as the cash is shrinking.
- In Summary...........
 CCFA is in a precarious financial position. Your continued support is most appreciated.

> By Laws & Procedures Chairperson's Report – Paul G.

The BLOPS Committee has received comments from the members of the OOC. We are making changes based on their suggestions and will resubmit at next OOC meeting for their approval of draft. The document is 35 pages and includes all of the requirements from the California Corporations Code that apply to CCFAA. Optimistically the OOC approve the document with revisions at the August OOC meeting. The revised draft will be presented at the August delegates meeting for review and discussion. The process of review and approvals could take another three to four months. This process should allow groups to discuss and recommend changes before adoption. It is our hope to have the new bylaws in place prior to the next officer elections. It will then be time to review the operating procedures and bring them in line with the new bylaws.

Report for CCFAA centraloffice@aasacramento.org

Email and phone: jellis2003@yahoo.com 916-225-0209

This past Tuesday I was in attendance at the monthly OOC meeting, and we had a full quorum with all members in attendance. Carrie M was a guest Delegate visitor and presented information on a possible future proposal for the inclusion in the By-Laws or in the Operating Procedures depending on which one ends up being the correct context. The Office Manager has some important information in her report and asked that I read it to the group. I will present that report following Steve's OOC report in just a few minutes.

We reviewed the PPP discussion upcoming for this month's Old Business agenda, and I would like to re-iterate what I mentioned in the Agenda, please don't ask to be heard more than twice, so that we can let everybody that wishes to speak have an opportunity to do so; and if someone has already said the things that any one of you would like to say, please refrain from being redundant so that we can keep our time on this discussion efficient and expedient. September's meeting will be the vote, and then depending on how that vote goes, we can get into the discussion on when and how we are going to pay it back, or if we are going to file the Forgiveness papers, depending on the September vote.

We discussed the idea of Operating Expense Reductions, and came to the conclusion after reviewing the Profit and Loss Statement in the new By The Way, that we are running bare bones, almost all of the expenses are payroll and office expenses, so your thoughts on this matter are welcome.

The 2021 Budget considerations need to be sent to the office from the Special Committees so that we can try to make sense of a budget in these uncertain times.

Now, let's get to the reports from our Officers and Committee Chairs...

Thank you for letting me be of service.

JohnE Chair, CCFAA To: CCF Delegates From: Pierre D. Assistant Chair

Date: 8/15/2020

The last Area Committee meeting was held on July 18th. After the reports were given, the group listened to our Delegate, Tom A., give a wonderful power point presentation. After that, the attendees engaged in robust sharing in the "What's on Your Mind" segment of the meeting. Some of the topics included: In person meetings vs. zoom/hybrid meetings; Next year's Pre-Conference Assembly and who will host it; And what are CNIA's financial responsibilities during these uncertain times. All these conversations were spirited and well received! Appreciation to all who participated.

At today's Area 07 meeting, the Area's 2021 Spending Plan will be discussed. The finance Committee has been working hard on the numbers and will be presenting what they have completed so far.

Some upcoming events to watch for include:

2020

Oct 16-18 Mini PRAASA on Zoom

Dec 19 Area Planning Meeting West Sacramento

2021 (Proposed)

Jan 16-17 Winter Assembly Sonora

Mar 5-7 PRAASA Central California, Area 93

- 9. We have had an anonymous donation of storage cabinets for the office bathroom as the existing cabinets didn't survive the floor replacement.
- 10. We were without network access for three days until we could get the wireless router replaced and the Server software updated.
- 11. Of the ten (10) Northern CA Central Office that meets semi-annually, none have applied for PPP and none had the need to do so. All reported in March that individual contributions had increased to a level beyond group contributions. And, all had significant Prudent Reserves.
- 12. Of the five Central Offices that replied to questions about PPP and applying for PPP, to date one has responded to applying, receiving and voting to select loan forgiveness. Two others are in the intergroup voting process and two other intergroups have voted not to accept the PPP.
- 13. Voting on PPP is still in progress in some areas because the initial program rollout was hurried and there were reports of program funds running out, but funds are now still available. Some thought it their fiduciary responsibility to apply before the end date of the initial program and then have the members vote to accept or return the funds ASAP.
- 14. An expressed consideration was that the PPP was offered to all qualifying employers to pay their employees rather than furlough them. It was not given specifically to Alcoholics Anonymous just as discounts and rewards programs are offered to businesses and most central offices are nonprofit corporations.
- 15. What is important here is the unity of the fellowship and AA as a whole.

(1) Savings Account contains the Prudent Reserve Funds Per our Operating Procedues

8.7.4. Prudent reserve: The purpose of the prudent reserve is to ensure our ability to withstand and react to a difficult a financial situation. Experience has taught us a prudent reserve is four months average operating expenses of the Central Office for the preceding twelve months. It should be kept in a "money management" fund where it is accessible while earning interest. One month's expenses should be maintained in the operations checkbook

To adhere to our Operating Procedures - CCFA established an interest bearing Savings Account This Savings account contains our Prudent Reserve and was opened in March 2018. Operating expense are estimated to be \$16,000 per month. There should be an additional \$28,235 in this account to comply with our operating procedues. However, there is no responsible or feasible means to add funds during this pandemic.

Currently, CCFA has 2.24 months in our Savings Account

(2) Checking Account is the Operating Account (General Fund) Per Operating Procedures

8.7.5. General Account Fund: The General Account Fund is for the payment of expenses needed to Operate CCF. These funds come from volunteer AA group contributions, individual contributions, and special program events. Excess funds in the General Account may be transferred to the prudent reserve with delegate approval.

The CCFA operating account has \$30,688 which transalates to 1.9 months of . operating expenses. To request delegate approval to transfer \$14,688 to the Savings to increase the Prudent Reserve would be imprudent as the cash balance are volitie.

In Summary.....

CCFA is in precarious financial position. Your continued support is most appreciated.

Respectfully submitted, Pat Y Treasurer

New Business:

- We are now receiving calls for the Western Slope District 22 and are currently working to build a 12th step list to better support the El Dorado County area.
- We've had the line 24/7 since Tuesday, March 17th. We've had lots of support from new volunteers and substitutes looking to be of service while at home. Daytime shifts are filled.
- We are in need of Bi Lingual Teleservice Volunteers
- All shifts are currently filled

Old Business:

By Laws and Operating Procedures Chair Report Aug. 12, 2020

The BLOPS committee is presenting a draft of the proposed bylaws to the delegate body. This is to allow each delegate to review with their group. Please feel free suggest changes or challenge the document as written. I am sharing the document through a link to a Google Drop Box. The file is a word document and will allow the person to comment in a column next to the document. When commenting please refer to the item number of the section you wish me to look at. This will allow for an interactive exchange as we update any suggested changes or explain why the document has certain text included. Keep in mind this rewrite of the bylaws goes from 5 pages to 36 pages. This was done because our by-laws did not comply with current laws for non profit corporations.

I would like to thank the committee David B., Michelle, and Kevin H. as well as the OOC for their review and criticism of these pages. Keep in mind that if you find things you do not understand or do not agree with please leave a comment in the drop box so that it can be addressed.

The process of review and discussion will take a couple of months. My email address is pgilling@surewest.net
please let me know if you are having problems accessing the documents. If we cannot work through the problems then I will send you a hard copy. Please try to comment in the drop box so all can see the concern and the change or response from that concern. This will, hopefully, keep us from answering the same question ten different times.

Please keep in mind I would be glad to jump on ZOOM with a group if they wish. Sometimes answers take time to research so give me a little time to reply or find an answer if needed.

PICPC Report August 2020

Hello. My Name is Courbet and I am the new PICPC Chair.

We have changed our Committee Meeting location and time. It will now be the first Thursday of every month at 6pm at Café Dantorels at 2700 24th Street.

If you would like to volunteer please attend the next meeting or email me at ccfpicpc@aasacramento.org.

Let's get some Public Information out there!

All are welcome!

Points to Ponder Regarding the Pay-Check Protection Program (PPP) As Presented from your Office Operations Committee (OOC)

The information provided in this document is to help groups and meetings to come to an informed "group conscious. We all have opinions and thoughts on this. Let us not jump to conclusions without looking at the overall aspect of the situation. These are unusual times that call for different measures to sustain our Central Office and our Greater Sacramento area AA infrastructure.

History of the Loan

CCF applied for and was awarded the PPP Loan on May 4, 2020.

The OOC then took this to the Delegates to discuss with their groups at the May Delegates meeting on May 16th, 2020

At the June 20th, 2020 delegates meeting time was taken for discussion and the delegate body voted unanimously to accept the loan. The vote had to be done faster than usual due to a deadline set by the PPP program.

Here is an excerpt from GSO published newsletter "Box 459" Summer of 2020 Page 5 2nd column. (Box 459 is published 4 times a year and can be subscribed and read at www.aa.org

— A.A.s going to great lengths to make sure other A.A.s have access to meetings. But he is quick to point out the more difficult side of the steep economic down-turn for intergroups. "We are hearing from intergroups that they may not have large enough prudent reserves to survive this — and they are not getting sales from literature as they normally might. Group contributions are down. Some are considering applying for the federal PayCheck Protection Program (PPP) loans for small businesses. They are calling us and asking, 'How does this fit with the Seventh Tradition?'

"We don't want to interpret Traditions for them. I provide sharing from delegates and regional trustees and from Archives on matters of finance. I remind them that it's not just about the Seventh Tradition.

The Fifth — keeping the doors open to carry the message — comes into play. As does the Fourth Tradition, concerning autonomy. It's a tough call."

Our Current Times

When this pandemic started, the government established guidelines.

Meeting halls and churches shutdown

CCF Complied with the shut down

New Virtual meetings started up

CCF supported these movements with web support and meeting lists

Meeting closures caused contributions and literature sales at CCF to drop dramatically.

The bottom line is the funds from the loan have been used to pay for CCF payroll expenses.

Our Prudent reserve is not fully funded (because of the move in 2008 followed by the economic recession) and will not sustain the office for a long period of time.

Groups and individuals must step up if we are to keep the office running and operational for our member and newcomers.

If we pay the loan payments of \$1,231.08, we still have:

- Rent payment
- Employee Payroll
- Utilities

Our Overhead did not Stop

HOW DO WE COVER ALL THESE EXPENSES AND THE LOAN PAYMENT

Without our Central California Fellowship (Central Office) we would not have the services and communications that we sometimes fail to remember we have. Such as;

- Hotline
- Store to get Literature, Books, Chips, Schedules, and Other Materials for our Meetings and Individual Needs

- Website for
 - o Up to Date Schedule of Meetings,
 - Calendar of Events,
 - o Group Information and Announcement,
 - o Store,
 - o AA Resources,
 - o By The Way Newsletter
 - Service Opportunities
- Group communications such as the CCF Delegates meeting

We must support our Central office so they can continue to support the AA movement here in the Greater Sacramento area, and most importantly aid the newcomer that is reaching out for help. This is and must always be our primary purpose, to help.

And please, let's remember to place our Principles before our Personalities. We must remember what we are doing here is for the good of the whole and not the individual or a single group.

New Motion

At the July 18th, 2020 delegates meeting a motion was brought to the floor to pay the loan back.

- The loan is for \$21,875
- The U.S. government is providing this program to small businesses as a means to keep people employed. Our Central Office provides employment to people that can be covered under this program. The CCF pays for federal payroll taxes, and other taxes related to employment, including unemployment benefits.
- The loan can be forgiven if proper paperwork is filed with in the 10-month window as outlined by the Governments guidelines.
- Our current Prudent reserve is for 2.7 months. (It should be at 4 months).
- Future action will be to ask delegates to approve transfer of the prudent reserve to our expense account in order to continue to pay the payroll and other monthly expenses.
- The loan can be repaid;
 - o Loan is for \$21,875
 - o 1% interest on the loan
 - o 18 months of payments
 - o The loan payments will be \$1,231,08 commencing on Dec 4, 2020, (if the loan forgiveness is not filed or accepted).
 - o Total interest on the loan will be \$284.44
- The key here is to ensure that we will have the funds going forward to repay the loan and our normal monthly expenses of your Central Office. Please refer to the By The Way for the financials of CCF including income and expenses.
- As of June 30th, 2020;
 - o Group contributions are down well over 50%
 - o Literature sales are down 80% plus
 - Literature sales can be made at <u>www.aasacramento.org</u>, paid for on-line, and mailed to you or curbside pickup can be arranged.
 - o Faithful fivers and birthday donations are up 60%. (These are from individual contributions)
- Update from July 2020 financials;
 - o Group contributions are up for the month to \$10,191 or \$191 above the budgeted amount of \$10,000. (Note this reflects the end of the quarter contributions. Many groups only contribute at the end of the quarter).
 - o Literature sales have increased since some in person meetings have started up again but still 32.7% below budget.
 - o This is encouraging, but only reflects one month of increase in contributions.
- Please remind members of your groups that AA as a whole is in dire straights and in need of group contribution and individual donations.

Here is some additional information from our Traditions and Concepts regarding this important:

Tradition 4 - talks about Rule 62 "Don't take yourself too damn seriously. We must be able to humbly learn from the rights and wrongs and how our actions as a group can affect other groups as a whole.

Tradition 7 – Obviously, this tradition is about money. This speaks of groups being self-supporting. From the index in the 12x12 – "Decision to subsist in AA voluntary contribution only."

Are we talking about groups as mentioned in the 12x12?

"Placing the responsibility of supporting AA headquarters directly upon AA members" What happens when the money runs out and all the CCF services stop? From the long form of the Tradition 7 –

"The groups themselves ought to be fully supported by the voluntary contributions of their own members. We think that each group should soon achieve this ideal; that public solicitation of funds using the name of Alcoholics Anonymous is highly dangerous, weather by groups, clubs, hospitals, or other outside agencies."

Does Central California Fellowship fall into this category? Maybe/maybe not?

Tradition 8 - has to do with employment of Special Workers. This is not 12 step work; this is not a volunteer in a meeting or as service to GSO or your local Intergroup/Central Office. Special workers are hired to keep the office and information to the groups flowing for our members. Our 12 step work is never to be paid for, but those who labor in service (for us) are worthy of their hire. The PPP loan is to help keep these labors of service employed during these times of pandemic.

CONCEPTS

Concept 2 – The general service Conference of A.A. has become, for nearly every practical purpose, the active voice and the effective conscience of our whole Society on its world affairs.

Is our group, meeting its wider Seventh Tradition responsibilities? Are the groups supporting CCF?

Concept 12 - The Conference shall observe the spirit of the A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and, when-ever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government; and that, like the Society it serves, it will always remain democratic in thought and action.

As a side note – this PPP loan issue (accept the loan or don't accept the loan) was brought to the floor of this delegate body to take back to the groups/meetings. The delegates had a chance to discuss this and vote at the delegate. The vote was done twice. Once by Poll and once by rollcall. Both times the vote was in favor of keeping the PPP loan funds.

Concept 7 - The Charter and the Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct all of the world service affair. The Conference Charter itself is not a legal document: it relies instead upon tradition and the power of the A.A. purse for its final effectiveness.

Working with Local Intergroups and Central Offices

Traditionally, general service committees and intergroup/central offices have performed different functions. Central offices provide local services; general service committees maintain the link between the A.A. groups and the A.A. General Service Board by means of the Conference. So these two separate

but vital service structures coexist in many areas in mutual cooperation and harmony. At the time the Conference was started, there were already well-established central offices in several large cities, providing services for local A.A. groups and members. Today, there are many more central offices throughout the U.S. and Canada, supported by the A.A. groups in the communities they serve. Each group elects a representative to attend central office meetings. These offices provide such services as:

- 1. Receiving, arranging, and following up Twelfth Step calls.
- 2. Answering inquiries about A.A.
- 3. Establishing local public information committees.
- 4. Maintaining information about local hospitals and recovery facilities for alcoholics.
- 5. Publishing local A.A. meeting lists.
- 6. Providing a newsletter.
- 7. Ordering, selling, and distributing A.A. Conference-approved literature.

In contrast, the Conference structure is the method through which all A.A. groups in an area can provide the most effective communication within the area and between the groups and the General Service Board and G.S.O. on matters of policy that affect A.A. as a whole. These include policy on: Conference-approved literature, A.A. public information, A.A. cooperation with the professional community, A.A. activity in treatment and correctional facilities, A.A. finances, AA Grapevine, and the election of trustees to the General Service Board. Many areas find that a liaison between the intergroup/central office and the area committee is very helpful in maintaining good relations and communication. In some areas the liaison has a vote at the assembly; in others, a voice but no vote.

S43More information on working together is available through G.S.O. and in the pamphlets "The A.A. Group" and "Self-Support: Where Money and Spirituality Mix," as well as in the Guidelines on Central or Intergroup Offices, Area, State, Provincial and Regional C

Chapter Ten

The Board's Operating Corporations

The General Service Board Reserve Fund - In 1954, the Board of Trustees established a Reserve Fund whose principal purpose is to provide the financial resources necessary to continue the essential services of G.S.O. and the Grapevine in the event of emergency or disaster, to fund costs beyond the means of the G.S.O. and the Grapevine, such as major leasehold improvements or technical upgrades, and to allow the General Service Board and its two operating affiliates time to formulate and implement plans needed to adjust to changed economic or other conditions. Withdrawals from the Reserve Fund may be authorized by the board of trustees (on recommendation of the trustees' Finance and Budgetary Committee). Currently, the fund is limited to no more than one year's combined operating expenses of A.A. World Services, Inc., AA Grapevine, Inc., and the General Fund of the General Service Board. If the Reserve Fund exceeds the 12-month upper limit, a one-year period is allowed to review the Reserve Fund level, followed by a second year to formulate actions to adjust the Reserve Fund below 12-months' operating expenses. In practice, however, the office, as well as the trustees' Finance Committee, continuously monitors the Reserve Fund balance, as well as the number of months of operating expenses, in an attempt to allow for orderly management of the Fellowship's financial affairs, keeping in mind our primary goal of carrying the message to the alcoholics who still suffer.

From the pamphlet Self Support - Where Money and Spirituality Mix (Page 8) The Bottom Line

"Now that we are sober in A.A., the word 'support' has to do with sharing, people, self-respect, gratitude, and what we are privileged to - give not - take in material terms."

While the Fellowship has always faced problems of money, property and prestige in one form or an-other, through the wisdom of the Seventh Tradition we have never been diverted from our primary purpose of carrying the message to the alcoholic who still suffers — wherever he or she may be. This is the fundamental work of Alcoholics Anonymous, and to ensure that the hand of A.A. will always remain outstretched, money and spirituality must continue to mix. And for that, we are all responsible.
