Alcoholics Anonymous Comes of Age Forward

"This book is the for A.A. members and their friends. It is for all who are interested to know the history of how A.A. started, how its principles of Recovery, Unity, and Service were evolved, and by what means this fellowship has grown and spread its message around the world. Here is an inside and wide-angled view of Alcoholics Anonymous.

The first part of the book presents a panoramic sketch of the historic St. Louis Convention at which the fellowship of Alcoholics Anonymous came of age and assumed full responsibility for all its affairs.

The second part includes three talks, edited and enlarged, on the history of A.A. Recovery, Unity, and Service, which were given by co-founder Bill W. at the St. Louis gathering.

The third part is devoted to addresses of a number of A.A.'s friends, all of them notable in their several fields: Dr. Harry M. Tiebout, psychiatrist, Dr. W. W. Bauer of the American Medical Association, Father Edward Dowling of the Jesuit order, Dr. Samuel M. Shoemaker, Episcopal clergyman, and Mr. Bernard B. Smith, New York attorney and former Chairman of the General Service Board of Alcoholics Anonymous. These friends tell of their association with Alcoholics Anonymous, the part they played in its development, and their view of what the future holds for this society. "

Bill W. tells the story of how the A.A. Fellowship grew, from its beginnings in New York and Akron to its spread across the country and overseas. Through the lens of the Three Legacies of Recovery, Unity and Service, Bill explains how the Twelve Steps, the Twelve Traditions and the Twelve Concepts for World Service evolved. Closing chapters share the perspectives of early "friends of A.A.," including Dr. Silkworth and Father Ed Dowling. With 16 pages of archival photographs.

General Service Conference-approved.
