## August 2021

### STEP EIGHT - INTO ACTION

I feared being committed to make amends to all those people on my Eighth Step list, but It was pointed out that Step Eight is not Step Nine—Although we must be appropriately willing, there were some amends we should not make! The Big Book provided these “escape hatches:”

We are not to sacrifice others to save ourselves from the alcoholic pit. (P.9)

“Our real purpose is to fit ourselves to be of maximum service to God and the people about us.” (p. 77)

It was easy to understand not hurting others. But if I purposely place myself in danger of being hurt, or even worse, this would not be “maximum service.”

It was not always easy to be completely honest about all the persons and businesses I had harmed. For many years I had blocked out most of these unpleasant and hurtful memories. How I disgraced my well-respected father, mother, sister and family in general with my frequent public intoxication notices in the local newspaper. There was that loan company I had not paid back; the motorcycle I wrecked while “trying out” from the used car lot and upon return vamoosed on my bicycle and never got caught. This was only a beginning of a long Fourth Step Inventory list.

I almost ordered a gin and tonic about two weeks before my sponsor helped me with the Steps. He told me that I couldn't trust my mind to write an inventory because it lied to me—it was dishonest!

I believe the Big Book “timetable” was very important for me with my “dishonest mind.” I was left with no time to back out, or to “think things over.” For instance, we are told to do Step four “at once;” Step Five at “first opportunity;” Step Six “then” not later; Step Seven “when ready; then my Step Eight amends information would be ready to list on paper. No time to change my mind or delete what I had written. After all, both my sponsor and God have were reading at what I had written! Also, I was told not to feel guilty about the amends I could not right so long as I knew I would right them if I had the opportunity. (p. 83) This has helped.

**I. Approval of Minutes**

Motion to Accept Minutes from June 2021 as amended - Approved

**II. Trusted Servant Reports**

- **Delegate Chair's Report – John E.**

- I attended the OOC Meeting Tuesday evening, July 13, 2021. All members were present and a quorum was determined.
- Today under Old Business we will be voting to accept the new Operating Procedures. This is a 2/3 majority vote to accept, and we will use the Poll feature of our Zoom for the results.
- We have a few items under New Business to attend to:
  - 1) Robin T has finished her six month probation period for employment, and a Poll to approve the permanent position as Office Manager will be taken. This will require a 2/3 majority vote to approve.
  - 2) We would like to also take a Poll to see if the Delegates would like to stay on Zoom or resume in-person meetings. I would like to see a substantial consensus, so let's also require a 2/3 majority vote on this issue. We do not have our old meeting place available to us, so if we vote to resume in-person, the next order of business would be to find a location.
  - 3) One of our Delegates At Large on the Board of Directors has resigned so we need to elect a new Delegate to the position. There is a three year sobriety requirement for the position, and a 2/3 majority vote is required. The term would be the rest of 2021 and 2022 because the resigning member was elected at the beginning of 2021. Out of the four At Large Delegates elected to the Board, we vote for two each year so that there is an alternating pair voted in each year. This position does not require a resignation as a Delegate for your Group.
- East Yolo Group is changing locations and our picnic supplies have been stored in their facility. On July 24 we are being asked to remove our supplies. Russ H has found a driver with a truck and a trailer to do the transfer, and Courbet A has offered her garage for temporary storage of the supplies. We need a few volunteers for muscle to help load and unload the truck. Please put your name and contact in the chat or call Robin at Central Office and give her your info. We really need your help and appreciate your efforts. We will also need to procure a permanent storage facility and Robin has found a couple of possibilities that would cost us about \$90 a month in additional rent space. We will let you know which facility we will be using when that has been determined.

Thank you again for all your service and your contributions, both individually and as Groups, and please continue to remind your Groups about the Birthday and Faithful Fiver programs that help to support our Central Office Budget.

**CNIA 07 News**

CNIA is inviting a discussion of how to best include virtual groups in General Service. As was recommended by the General Service Conference this year, online groups are allowed to self-identify the area and district where they would like to participate. There are many items to consider. For example, should a separate virtual district within the Area be set up for online groups? If groups join traditional districts, are the districts obligated to facilitate their participation (phone/Zoom/hybrid district meetings, etc.)? Input is welcome.

Just a reminder – All CNIA events will be held on Zoom for the rest of this panel (to the end of 2021). That includes the monthly Area Committee Meetings and the Election Assembly (November 12-13). All are welcome to attend.

For more events and other CNIA information, visit the CNIA website <https://cni.org/> or ask me.

- CCFAA Business Office is open for in-store shopping. We are still maintaining the online bookstore and curbside pick-up for those that prefer that method of service. Items can still be shipped as requested as well. If you have any questions, please call 916-454-1771
- We are **no longer** asking each group to submit the signed county protocol documents to Central Office. If your meeting has opened its physical location, we ask that you submit the information through our online portal at [aasacramento.org/physical-meeting-submission-form/](https://aasacramento.org/physical-meeting-submission-form/) located on our website. If you have any questions please email [centraloffice@aasacramento.org](mailto:centraloffice@aasacramento.org).

- In helping the Central Office with preparing to create printed schedules, we are asking each group and fellowship to verify that their meeting(s) information on our website is correctly listed. We will use the physical and virtual meetings that we have on file to create a printed schedule in the upcoming months. Please visit our website to submit any updates through our online portal or email [centraloffice@aaasacramento.org](mailto:centraloffice@aaasacramento.org).
- **About the By The Way....** The By The Way Committee needs YOU! If you would like to help, please join us! Feel free to call me or email [thebtw@aaasacramento.org](mailto:thebtw@aaasacramento.org). Also, we welcome contributions to By The Way. The theme for each month is the step, tradition, and concept for the number of each month. Articles related to that are preferred, but feel free to submit anything you think By The Way readers would enjoy. Please send all submissions to [centraloffice@aaasacramento.org](mailto:centraloffice@aaasacramento.org) by the 15th of each month.
- Thank you to all the groups, fellowships, and members for your support and dedication to Central Office. Your unwavering generosity is very much appreciated. We can receive online payments and contributions through our website at [aaasacramento.org](http://aaasacramento.org). You can also contribute via Venmo @CCFAA or PayPal @CCFAA
- Second Quarter Payroll and Sales tax deposits and payments will be completed by the July 31 deadline.

Summer Series Launch!!!

- June 26 we had a wonderful zoom meeting Chaired by Billy N. on Traditions In Our Lives. We had 54 people attend from across the states. If you were present, Thank you for your support, and again, thank you Rick S. for our speaker line up!
- On July 24 we have Rene H from Placerville, followed by Kelly C sharing on Availing Yourself of a Sponsor. We got plenty of room as one of our two expenses is to open the meeting to more than 100 attendees. The other expense is the flyers you have received the last three months.

**Special Events Chair's Report – Robert F. (cont)**

- We have accrued \$183 in expense to this point with \$163 in contributions. If I extend the numbers through The Summer Series Events, I would project \$370 in expenses and \$490 in revenue. A Plus!
- For simply trying to get the CCFAA name out and some fellowshipping as the goal of 2021, great start!
- I want to take a moment to thank Judy and Group 3 for volunteering readers for July 24! Our August 28 Zoom meeting is still open if a group would like to volunteer a couple readers!

# BOOK OF THE MONTH

## DAILY REFLECTIONS

\$10.25

### August 1 - LIVING IT

*The spiritual life is not a theory. We have to live it.*

ALCOHOLICS ANONYMOUS, P.83

When new in the program, I couldn't comprehend living the spiritual aspect of the program, but now that I'm sober, I can't comprehend living without it. Spirituality was what I had been seeking. God, as I understand Him, has given me answers to the whys that kept me drinking for twenty years. By living a spiritual life, by asking God for help, I have learned to love, care for and feel compassion for all my fellow men, and to feel joy in a world where, before, I felt only fear.

*-Daily Reflections, p. 222*

### August 31 - A UNIQUE PROGRAM

*Alcoholics Anonymous will never have a professional class. We have gained some understanding of the ancient words "Freely ye have received, freely give." We have discovered that at the point of professionalism, money and spirituality do not mix.*

TWELVE STEPS AND TWELVE TRADITIONS, P. 166

I believe that Alcoholics Anonymous stands alone in the treatment of alcoholism because it is based solely on the principle of one alcoholic sharing with another alcoholic. This is what makes the program unique. When I decided that I wanted to stay sober, I called a woman who I knew was a sober member of A.A., and she carried the message of Alcoholics Anonymous to me. She received no monetary compensation, but rather was paid by staying sober another day herself. Today I could ask for no payment other than another day free from alcohol, so in that respect, I am generously paid for my labor.

*-Daily Reflections, p. 252*

## The Eighth Step

**"Made a list of all persons we had harmed, and became willing to make amends to them all."**

"Having carefully surveyed this whole area of human relations, and having decided exactly what personality traits in us injured and disturbed others, we can now commence to ransack memory for the people to whom we have given offense. To put a finger on the nearby and most deeply damaged ones shouldn't be hard to do. Then, as year by year we walk back through our lives as far as memory will reach, we shall be bound to construct a long list of people who have, to some extent or other, been affected. We should, of course, ponder and weigh each instance carefully. We shall want to hold ourselves to the course of admitting the things we have done, meanwhile forgiving the wrongs done us, real or fancied. We should avoid extreme judgments, both of ourselves and of others involved. We must not exaggerate our defects or theirs. A quiet, objective view will be our steadfast aim.."

*--Alcoholics Anonymous, Twelve Steps and Twelve Traditions, pg. 81*

## The Eighth Tradition

**"Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers."**

"It is significant, now that almost no A.A. in our Fellowship breaks anonymity at the public level, that nearly all these fears have subsided. We see that we have no right or need to discourage A.A.'s who wish to work as individuals in these wider fields. It would be actually antisocial were we to forbid them. We cannot declare A.A. such a closed corporation that we keep our knowledge and experience top secret. If an A.A. member acting as a citizen can become a better researcher, educator, personnel officer, then why not? Everybody gains, and we have lost nothing. True, some of the projects to which A.A.'s have attached themselves have been ill-conceived, but that makes not the slightest difference with the principle involved.."

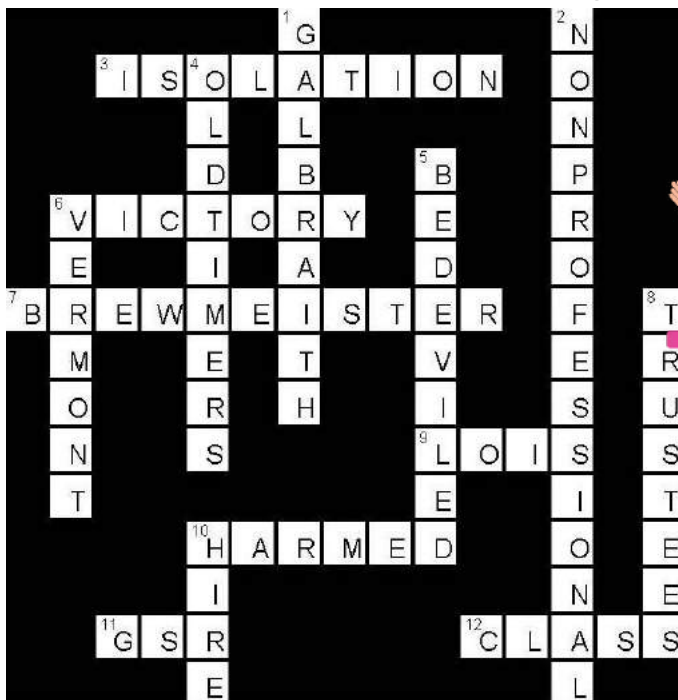

*-- Alcoholics Anonymous, Twelve Steps and Twelve Traditions, pg. 171*

## The Eighth Concept

"The trustees are the principal planners and administrators of over-all policy and finance. They have custodial oversight of the separately incorporated and constantly active services, 2 exercising this through their ability to elect all the directors of these entities."

*-- Alcoholics Anonymous - The Twelve Concepts (Short Form), pg. 575*

Solution to crossword puzzle on page 15

Roadside sobriety tests are getting ridiculous...  
Last night I had to fold a fitted sheet.

Do you know how ber I am?  
sober

I had to take my dog to AA the other day.  
He couldn't control his licker.

It's easy to tell the difference between sober and drunk pedestrians.  
The difference is staggering.
