V. Trusted Servant Reports

- ☐ Delegate Chair's Report – Laura B.

I attended the Board of Directors meeting on May 16, 2023. Several topics of importance were discussed, including the GSR Conference about diversity and predatory behavior, the results of the Central Office Survey, Group Invoicing policies, upcoming motions for revisions to the Bylaws and Operating Procedures, and several other topics that will be discussed in reports that follow.

● Opportunities for Service –CCF relies upon its membership; trusted servants who selflessly give their time and attention in order to be of service to any who suffer from alcoholism, and the lives of those who are impacted by the lash of alcoholism. Inherent in the gift of recovery is the call to service. When every member pitches in to do a little, much can be accomplished. Please consider volunteering your time to help us carry the message. There are opportunities to help with teleservice, volunteering in the office, serving on committees, helping with the *By the Way*, and so much more. Please consider this call to serve and take a few minutes to reach out to Central Office and ask how you can be of service. We all need each other to carry the torch and be there for our fellow sojourners on the road to happy destiny. Without you, we will fail. Together we can lead purposeful lives of meaningful service!

● Call for Nominations/Volunteers for the position of **Asst. Delegate Chair/Area Liaison**: This position presides over the new Delegates Orientation Meeting and acts as the CNIA liaison. ☐ **Assistant Chair/CNIA Liaison’s Report – Open Position - No Report**

☐ **Board Chair’s Report – Jason S.**

First off I would like to thank Laura B. for filling in for me during my vacation this week. I am truly grateful.

A Moment to Honor a Friend

Those on the Board, at Central Office, and around our Sacramento Fellowship were heartbroken to learn of the loss of our friend, brother, and Trusted Servant Pete B. We offer our most sincere condolences and prayers to his family and friends.

Pete has served as our Webmaster, Teleservice Chair, Recording Secretary, Newsletter Committee Chair, and in just so many other ways. I believe it would be hard to find anyone in our greater Sacramento Fellowship whose life hasn’t been touched by his efforts. I think it’s safe to say his love for AA and Recovery permeated everything he did.

He took his responsibility to ensure that the “Hand of AA Always to be there” very seriously, but still managed to keep it fun. During any holiday I always looked forward to seeing what crazy hat he would be wearing. Pete would always make the time to help anyone who asked. He leaves a lasting legacy of love and service.

I am so grateful to have known him. Been able to work with and learn from him. Thank you, Pete, you will be greatly missed by all.

CCFAA Surveys

I would like to thank all those who completed and returned the 2023 CCFAA Surveys. We are grateful to have your feedback and suggestions. Based on some of the feedback, we wish to remind our fellowships that through our Steps, Traditions, and Concepts, we know that CCFAA is not a governing body and does not control or direct its members or groups. We can only offer guidance and share information. With that in mind we offer the following: A.A. should always be a safe and welcoming place, open to all, to hear and find the message of recovery from alcoholism. There is a great brochure titled “Safety and A.A.: Our Common Welfare”, which offers guidance on the issues about Safety, Unity, Discrimination, and Diversity. These are all important issues that must be addressed at group level. Here are some questions to ask as a group and the link to this brochure:

https://www.aa.org/sites/default/files/literature/smf-209_en_0422_0.pdf

1. Does your group hold regular group conscience meetings?
2. Does your group perform regular Group Inventories?
3. Does your group have a General Service Rep and do they attend the District and Area Meetings?
4. Does your Group provide your GSR with your group’s conscience on the yearly GSC Agenda Items?
 - a. For example there was an Agenda Item this year on Safety Materials.

- i. The result being - "The safety service material will be revised to include additional language about diversity and predatory behaviors - but the language used will be colloquial AA language (rather than language that could be perceived as political/academic). A note that a person's personal experience with discrimination is not an outside issue will also be added."
- b. Ensuring your Groups' Conscience is carried to the General Service Conference is so very important.

What can the Central office do to support you in these matters? We can offer guidance and ensure we have available a supply of the numerous different Service Materials to aid you, such as:

1. Pamphlet "The Group", P-16
2. Brochure "Safety A.A.: Our Common Welfare", smf-209
3. Safety Card,
4. Traditions Checklist, ms-20
5. Concepts Checklist, f-91

In Love and Service,
Jason S.

Our Business Office is open Monday thru Friday 9am-5pm, our Bookstore is open Monday thru Friday 9am-5pm and also Saturday 10am-2pm. If you have never been to your Central Office or it's been a while, make some time and come visit us, we would love to see you!
- Payroll, Sales Tax, and Returns were filed by the April 28th deadline.
- We have filed an extension for our 990 and 1099 taxes and RRF-1. These should be filed in the next couple of months but the extension allows us until November 15th, 2023 to have our paperwork into the IRS and the Attorney General's office.

Those of us here at the Central Office were devastated by the loss of our beloved Webmaster and *By The Way* Chairperson Pete B. on April 21st. Not only was he involved in these areas of service for CO but he also served on Teleservice for many years and has represented the Delegate Body as Recording Secretary.

I met and started working with Pete in 2015 when I came to the CO as a volunteer. We began working together creating the meeting guide for the website and in Pete's style, he took me right under his wing. Over the years I have had the privilege of working with Pete on lots of exciting projects and it has been a great honor to learn so much from him. His passion for technology, a keen sense for streamlining processes, and efficient work ethic were contagious.

We will be forever grateful for the impact he has had on this office and his dedication to service. Truly he showed us all what love for Alcoholics Anonymous looks like in everything he touched. The June Edition of the BTW will be published in Pete's honor.

Always working together.

"If our friends don't know who we are, they cannot recommend us." – Dr. Bob

Thank you for letting us be of service.

☐ **Picnic Chair's Report – Paul G.**

The CCFAA Picnic is scheduled for - Aug 20 at Elk Grove Regional Park. Our monthly organizational meeting of the picnic committee is the 2nd Thursday of every month on Zoom. The Zoom address is Meeting ID: 826 3034 4294 - Passcode: PICNIC2023. We have lined up two speakers for this year's picnic. The speakers are Todd B. of Roseville as our local speaker and Jack G. of the band T.S.O.L. for our afternoon speaker.

The baseball group has decided they want to go back to the three-field complex at the front of Elk Grove Park. This facility costs a little more than what we have used in the past. For this reason, the team cost has risen to \$200.00 dollars per team. The fee is due by August 4th. We are also coming up with ways to provide drink and food sales at the ballpark to help keep the games moving right along. In past years the ball games have gone on well into the evening after the picnic had ended. By having three fields, more referees and food service we are hoping to have the games end closer to 4:00pm when the picnic ends.

In addition, we are having the popular raffle again this year. I am proud to introduce Elora who will be running this year's raffle and is looking for your group's support. Elora @ 916-549-0543

Robin has suggested we consider having a dunk tank. I am looking for an AA group to take on this project. It would be known as "Dunk A Drunk." We would ask that group to go out and find long term sponsors and or popular AA members that the masses would like to see plunged into the depths. This could be a popular addition to our beloved picnic. Please let me know if your group is interested @ 916-997-4870.

Next month we will report on all the other activities and we also plan to unveil this year's picnic logo.

Yours in service Paul G.
