## APRIL 2024

### Faith over Fear

Faith over fear... what does that mean to you?

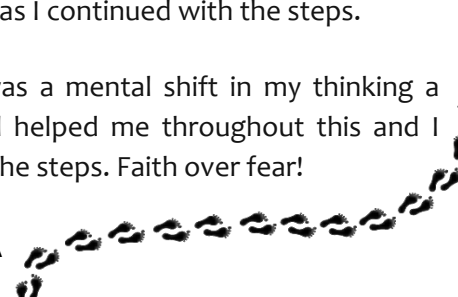

Well for me, this takes me to the day I wrote my fourth step on my journey through the 12-steps of Alcoholics Anonymous. I remember telling my friend in the program that I was afraid to share my fourth step with my sponsor. My friend reminded me that I didn't need to be afraid, and all I needed to do was ask God to help me write down my fearless inventory and then share my fifth step with my sponsor.

And so I went. I asked God to come into my life and help me to write down all the resentments. Oh wow! That was six pages of long held resentments that went back to my childhood. Then I became fearless and quickly completed writing my fourth step. What I found was that I was the source of the problems in my life. This whole time! Understanding this I moved into step five and realized I could change my actions as I continued with the steps.

Interestingly, There was a mental shift in my thinking a psychic change. My God helped me throughout this and I moved my feet through the steps. Faith over fear!

# AA GRAPEVINE

The International Journal of Alcoholics Anonymous

Dear Friends and Fellows

AA GRAPEVINE, the international journal of Alcoholics Anonymous, will increase the price of its print magazine for the first time in over 12 years. The new price for a yearly subscription is \$36.00, effective April 15, 2024.

Grapevine has held the print magazine price steady through challenging times over the past four years — with costs for paper, printing, and shipping all increasing substantially. The Grapevine Board recognizes that we can no longer sustain the magazine's costs at the current price. Subscribers will receive discounts when ordering over multiple years, or by purchasing the "Complete" option, which includes the print magazine and full access to the website and our new mobile app. Digital subscription prices will stay at the current rates. Active subscribers will stay at their current rate until their term ends.

Please click the button below to read the complete announcement including full price change information, from the Publisher.

## The Fourth Step

**“Made a searching and fearless moral inventory of ourselves.”**

How instincts can exceed their proper function. Step Four is an effort to discover our liabilities. Willingness to take inventory brings light and new confidence. Step Four is beginning of lifetime practice.

Page 6, Twelve Steps and Twelve Traditions

## The Fourth Tradition

**“Each group should be autonomous except in matters affecting other groups or A.A. as a whole.”**

Every group manages its affairs as it pleases., except when A.A. as a whole is threatened. The group, like the individual, must eventually conform to principles that guarantee survival.

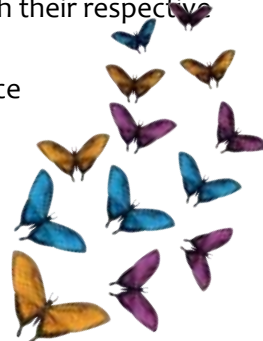

Page 10, Twelve Steps and Twelve Traditions

## The Fourth Concept

**“Throughout our Conference structure, we ought to maintain at all responsible levels a traditional ‘Right of Participation,’ taking care that each classification or group of our world servants shall be allowed a voting representation in reasonable proportion to the responsibility that each must discharge.”**

The principle of “Participation” has been carefully built into our Conference structure. The Conference Charter specifically provides that the Trustees, the Directors of our service corporations together with their respective executive staffs shall always be voting members of the General Service Conference itself.

## Writing Prompt:

We're searching for a fearless and moral inventory on step 4. As for me, I was scared to write this part. Could you provide any suggestions for making this easy and fearless? Or did you have a hard time too? Let's provide an uplifting way of doing this step 4.

II. TRUSTED SERVANT REPORTS:

☐ Delegate Chair Report – Laura B.

This is the third month into our new year of service, so we are all seasoned Delegates by now! I hope you are all enjoying the duties of your service positions. Many of you are considering taking on additional roles of service at the Central Office and in the Delegate body. Thank you, each and every one, for your continued service. Together we continue to carry the message and serve to the best of our ability.

I attended the Board of Directors meeting on March 12<sup>th</sup>. Many areas of interest and importance were discussed and will be presented this afternoon. In this meeting we will be hearing from our Business Manager and Superhero Robin T. about a few changes made at Central Office, opportunities to be of service, and even an opening for a part time employee position. Robin will also present the details of a capital expenditure of urgent importance for our Delegate Body to take back to their groups for discussion and approval. We will also be hearing from our Wise Treasurer, Greg B. regarding prudent reserve changes presented last month to the Delegate Body.

For old business this month, we will be voting on the by-laws changes in expenditure approval ceiling presented in our January Delegate Meeting. We will be discussing the prudent reserve adjustment presented in February, and we will be voting a nominee into service for our open NCCAA Delegate position.

Thank you to every Delegate member for your continued service. CCFAA is YOU. It is all of us. It is every group that has stepped forward to be part of this intergroup effort. Supporting CCFAA is not supporting some other organization or office. It is supporting our own ability to collectively carry the message.

In love and service, *Laura Bishop*

No report this month.

□ **Board Chair Report – Tim H.**

The Board meeting was started at 6:05 by Tim H. Board Chair. Roll call was taken, and a quorum was established with all board members present. Motion to accept the minutes for the February 2024 board meeting minutes was made and accepted. Minutes for this meeting will be posted on the CCFAA website in the coming weeks.

In the meeting it was discussed, voted on and approved to get a P.O. Box for all of our mail. We are doing this because our regular mailbox was broken into again. The office manager will give more information in her report.

Some of the other board members will present on other topics that were discussed. More updates to come.

Thank you for allowing me to be of service, Tim H.

□ **Treasurer Report – Greg B.**

- o Still need people to be on the adhoc website committee, contact Robin at CCFAA office. Questions, please send to webmaster@aasacramento.org

**PI/CPC Chair Report – Sigi G.**

- We've had a recent uptick in attendees to the PI/CPC monthly business meeting, many offering great ideas for PI/CPC work, but we are still in need of sober alcoholics to volunteer for activities such as 'information table' coverage at events like Spring Fling. Calling for Delegates to invite members of their group interested in service to email Sigi at:picpc@aasacramento.org and join the next monthly business meeting (details on the CCF website and the By the Way).
- We will have elections at our next business meeting in March on March 26th at 6:30pm (meeting details can be found at: [https://aasacramento.org/service opportunities/picpc/](https://aasacramento.org/service%20opportunities/picpc/)). Positions include:
  - a. PI/CPC Co-Chair
  - b. Treasurer
  - c. Volunteer Coordinator
  - d. Presenter Coordinator and others.
- We had a recent inquiry regarding Elk Grove Unified School District, and will be exploring how best to support it.

**By Laws & Procedures (BLOPS) Chair Report – Jim C.**

- Committee did not meet in the period between February Delegate's meeting and March Delegate's meeting, due to delay in the chairman's connecting with previous chairman to learn details of position and where last year's committee left off work.
- Chair has reached out to committee members to schedule a meeting in March to orient themselves and begin work for 2024.
- Chair expects that the committee will have more to report at the April meeting.

Thank you for letting us be of service, Jim C, BLOPS Chair

**NCCAA Delegate Liaison Report – OPEN POSITION**

**Birthday Club/Faithful Fivers Chair Report – Michelle W.** - No report, looking for suggestions about how to serve on this committee.

**Special Events Chair Report – Nicole C.** - Plans to do another event in November “gratitude” similar to last year.

**Picnic Chair Report – Stacy K.**

- I have received the list of Picnic Supplies we have in storage with the Central Office. I will be taking a physical inventory in the month of April.
- Committee Leads are being confirmed. A couple of big-ticket leads needed are for:
  - o The Raffle
  - o Co-Lead Softball
- Note that the space that was rented has 2 fields, not three BUT they are a part of the picnic area. This may require us to play more of a Red Robin type of tournament and limit ourselves to 7 teams, which allows a 1-hour break of NO play. We have the Gray and White fields which are well maintained. We may consider reducing the entry fee to \$150.00. This explains why our permit was \$350.00 less than last year. I talked to David Swander who is unsure if he wants to lead this year, he will let me know next week if he will still lead this event. I asked if he would please consider and I will get a co-lead in there with him, somebody that wants to learn the ropes and can take over for the next couple of years.

- Flyers announcing the picnic, soliciting for softball and raffle will be distributed to the Central Office before the EOM.
- Please pass on to your groups that we would love to have their help organizing the event. They can reach me at stacykennedy70@gmail.com.

**I. Old Business:**

Bylaw Changes - change in the financials from \$500 to \$1,000 to allow the Board to spend without Delegate approval.

- Vote: Yes 45, No 1, 4 abstain - **PASSED**

Elections for Open positions

- NCCAA position - **Mary F.** has been nominated by Laura B., voted in at yes - 51, abstain 3, CONGRATULATIONS!

**II. New Business:**

Capital Expenditure Proposals:

- Office Computers
  - Excel Computers is the company we use - set up cost is for setting up the computers to server, QuickBooks account, VPN, communicating to network and up and running. Hourly \$120, estimated 1.5 hours for each one.
  - Replacements are needed as most computers are at least 10 years old, difficult to connect to new programs.
  - Dell Pro service - extended warranty.
  - \$980 will be the cost but if we can find a sale after the vote, we will.
  - Moving the 2018 computer to the reception desk.
- New Mailing Address
  - Due to continued post office box thefts at the current business park, CCFAA obtained a UPS Box:
 

3609 Bradshaw Rd. Ste. H
